EUROPEAN BOARD OF PAEDIATRICS EXAMINATION

The European Board of Paediatrics Examination is the first pan-European knowledge based exam in general paediatrics, and provides an excellent assessment of core paediatric knowledge for paediatricians everywhere.

Successful candidates will get a certificate demonstrating that their theoretical knowledge of paediatrics has achieved a level to satisfy the European Union of Medical Specialists (UEMS). It forms part of the overall assessment of training - and should be used in conjunction with other nationally approved measures of competency and experience.

The exam will take place online on Friday 16th October.

Applicants should apply through the online portal on eapaediatrics.eu/ebp-exams.

It is open to all trainees who are in a recognised training institute.

The fee structure is:

Paediatric trainees in European centres (<i>Europe as defined by WHO</i>)	€250
Paediatric trainees in non-European centres Paediatricians in substantive posts	€450

The closing date for applications is **September 1st 2020**.
